### **WHO WE ARE**

The Canadian Theological Society was founded in 1955 to promote theological reflection and writing in a Canadian context. Today it is a lively community of theologians who represent a broad range of denominations and scholarly interests. Our membership serves the university, seminary, and the church and comes from all corners of Canada.

### **BECOME A MEMBER**

Join the society and gain the full benefits of membership, including subscriptions and more. Visit our website for more information.
